<https://recipebox-kathryn-hoelscher.herokuapp.com>

<https://github.com/khoelscher0625/recipebox.git>

- Web app that collects and displays recipes.
- 100% independently developed app.
- Using Simple Form gem to enter user data and display on the main root page.
- Ruby on Rails, CSS, HTML, Bootstrap

### **Flixter**

<https://flixter-kathryn-hoelscher.herokuapp.com>

<https://github.com/khoelscher0625/flixter.git>

- Teacher/Student Classes Platform
- Student developer, following directions 50% of project and 50% self guided creation.
- Ruby on Rails development, with use of HTML and CSS. JavaScript

## Experience

**Instructional Interventionist Teacher, Harmony Hills Elementary, NEISD; San Antonio, Tx — Fall 2018–Present**

Primary Responsibilities include daily interventions for students with characteristics of Dyslexia, collaboration with various teams for individual student interventions as the Response to Intervention campus coordinator, weekly meetings with campus administration to communicate status of various school initiatives, meet regularly with campus instructional team to determine areas of need and create solutions to barriers that come up.

- Appointed the campus webpage and social media coordinator. Created eye catching graphics on social media to increase engagement in regular posts. Improved views per post from view from an average of 50-75 views per week to 175-200 views per week. When posting to webpage, maintained compliance and accessibility requirements.
- Led committee responsible for monitoring and addressing student needs. Maintains records and tracks progress of students, resulting in more gap-closing progress in individual student success. Committee consists of 6-7 people, affecting approximately 10% of student population. Success rate of student achievement ranges from the 75-80% of students closing gaps with interventions created and implemented.

**Classroom Teacher, Harmony Hills Elementary, NEISD; San Antonio, Tx —**

**Spring 2007 - Spring 2018**

**Primary responsibilities include the day to day management of 18-22 elementary students, prepare and execute lesson plans that are engaging and intentional in instruction, and maintain regular communication with principal and communicate expectations to grade level team.**

- Implemented innovative seating arrangements for students to remain engaged throughout lesson. Shared successes with campus faculty which led to the implementation in other classrooms throughout building.
- Sought out innovative practices to enhance my daily instruction. The successes in my classroom encouraged other teachers to adopt practices as well. Earned Campus Teacher of the Year 2017.

**Education**

- Coding Bootcamp, University of Texas - Center for Professional Education, Austin, Tx, Certificate - Fall 2019-Spring 2020
- Texas State University - San Marcos, B.S in Interdisciplinary Studies
